

# There is a New outlaw in town - the Byon outlaw!

In the midst of life's to-do lists and everyday magic—where rules no longer bind us but harmony and joy in the moment lead the way—this is where you choose if it's upside down or not at all, where YOU decide how life should be lived. We're bringing you into a boundless world this season, a place lit by the romanticized vision of an outlaw—a BYON outlaw, naturally! So, swing into the saddle, click your heels together with a resounding stomp, and prepare for a life outside the box—literally. Let BYON awaken the rebel in you as you follow your own compass.

Because in this autumn's Momentous Tangibles, we invite you on a journey where wild animals and playful cowboy influences blend with a sophisticated, luxurious twist. The collection captures the contrast between untamed freedom and elegant poise, offering unique expressions of zebra and cow print, each pattern reflecting both the mystique of the wild and the power of nature. Bold colours collide with soft hues, featuring combos like brown, red, peach and kalamata green.

# Porto

Made in Portugal

Porto is a tribute to colour and craftsmanship, a stoneware collection that not only embodies Byon but also brings the imaginative Byon table to life. Handcrafted in Portugal's ceramic hub, Porto features a classic design with a chunky edge that feels both bold and natural. Each piece offers a unique experience, with reactive glazing creating subtle variations that give every plate and bowl its own life and personality.

The series includes classic dinner and starter plates as well as bowls in various sizes. To add an extra touch to your table setting, there are small side plates in vibrant colours that make every meal a little more playful. The colour palette is inspired by the soft tones of Southern Europe, with delightful shades like citrus, pistachio, blueberry, raspberry, and "dulce de leche" – a luxurious and inviting explosion of colour. #### An outlaw in true BYON spirit

Emma Widell is the artist and ceramicist from Malmö who embodies what we at BYON call an "outlaw." Her creations brim with a strong personality and an inspiring playfulness. In our latest capsule collection, her expressive design language merges with BYON's passion for colour and form. Do not be misled by what seems obvious—behind every corner lies a hidden treasure.

Emma started painting at a young age and has spent many years devoted to art. During the pandemic, she felt a lack of inspiration and turned to clay to explore her creativity. Three years on, she has fallen in love with the medium, drawing on personal experiences, thoughts, and memories for inspiration. Her art is an extension of herself, where imperfections like scratches, flaws, and small cracks are embraced as intentional elements in each unique piece.

In this collection, we encounter sculptures and shapes once concealed behind facades, now taking centre stage in BYON's universe. They create an instant sense of personal magic at first glance. Meet Facy, Patty, and Muddy in BYON's latest capsule collection — pieces with bold expressions and distinct personalities guaranteed to enchant both you and your home.

## Sea Collection

With roots on the west coast shells always have a natural place at Byon. Shapes which nature itself has created. In the Sea Collection the shape of the shells has met the imagination and become something we hardly thought existed. The surface is glazed or mat for the natural to meet the luxurious. Here you can find plate shell in different sizes, Bowl Awa small and big, Bowl Shell and Shelley among other items straight from the sea. As always at Byon there are no rules about how things should be used. What's important is what you want! Designed by Byon Studio.

#### The Oyster Family

Under the sea surface you'll find a world of unknown shapes and beautiful materials. We eat from shells, welcome rugged surfaces and change glitter to salt spray. The sea moves indoors when we decorate and set tables, simply because we cannot resist the playfulness. Bowl Oyster is a result of when the depth of the sea makes an impression to our creations. With its playful blue, beige or grey suit with a glossy finish, this bowl becomes something very special. It's also available in white with a matt finish. Mix colours, use it for jewelry, tapas or flake salt. The bowl is dishwasher safe for easy cleaning. Do not use in a microwave or oven.

# Leya

Flowers have always been important to Byon. This because they make us exceptionally happy. Leya is a sassy flower pattern designed for Byon only, which has succeeded with the combination to be delightful and at the same time gutsy. The pattern is inspired by the 1970s look but can definitely be mixed with more contemporary colours. All the flowers play an important role without stealing the show from each other. The tones stretch from dusty pink, via magenta and claret to pop blue and ocher yellow. The blackness of the pattern feels dramatic and beautiful. Leya decorate among other things, tablecloths, napkins and bags, sometimes just as a detail and sometimes the whole product.
