# Catch the Divine

This year we set sail and follow the Mediterranean fishing boats towards new horizons. Here, among worn nets on the quayside, plastic chairs in the shade and buoys bobbing in the sunlight, we have captured the essence of summer's raw beauty. Catch the Divine is the collection that makes its mark and strikes with colour and shape, inspired by the contrasts of the harbour. The worn and the shimmering. The simple and the striking.

New Collection	3-37
Kitchen	38-59
Decoration	60-77
Textiles	79-85
Lamps	86-87
Candles	88-91

The colour palette is sun-bleached yet confident, with shades of peach, mint sorbet, buttery yellow and the sea in every shade. Sharply broken by red tones that step forward and claim their place – in true Byon style.

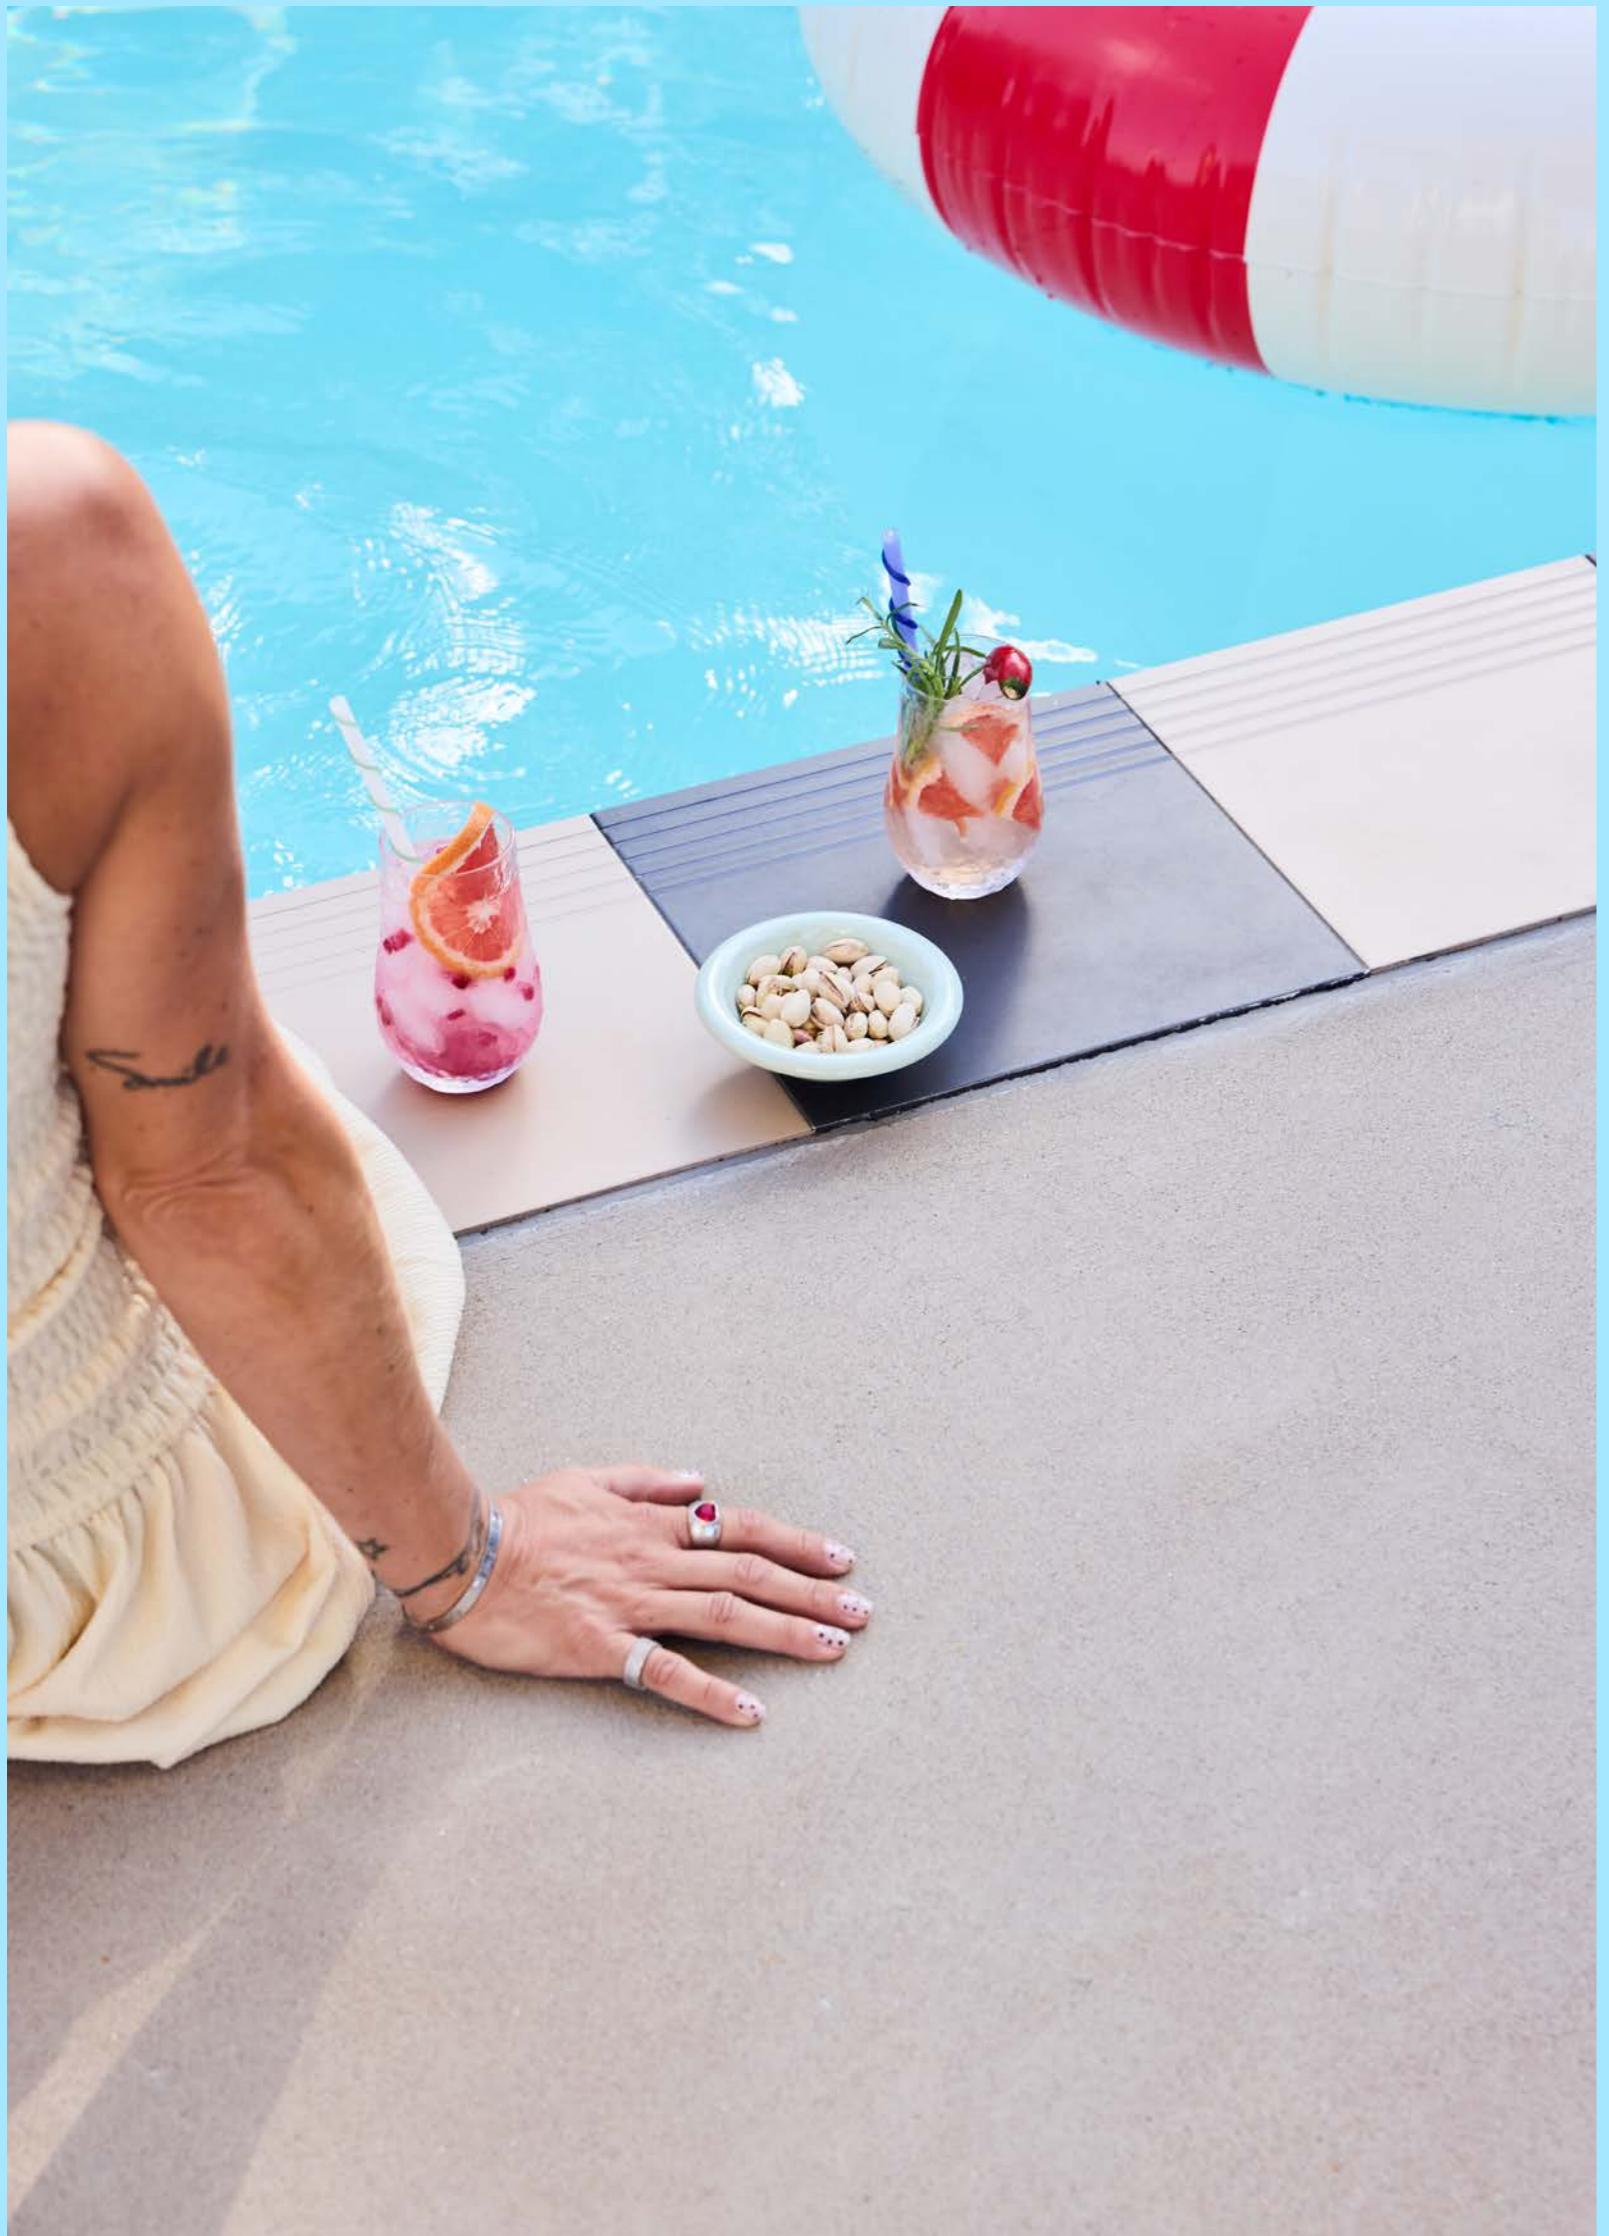

Swim against the tide and claim your place with  
Catch the Divine – a collection where Byon maximises  
summer with style, colour and a generous dose of  
attitude. #byondesign #bubblesforeveryday

# NEW Porto

*Made in Portugal*

Porto deep plate is perfect for pasta, soups or a generous scoop of ice cream – a classic shape with a bold chunky rim that feels both natural and daring. Handmade in Portugal's ceramic capital with a reactive glaze that makes each piece unique. The colours are inspired by blueberry and dulce de leche, creating a playful table setting full of character.

Porto napkin rings are made of soft, rounded spheres that add something extra to your table setting.

A small detail that makes a big impact – especially when paired with the rest of the Porto series.

Made of stoneware. Handmade, variations in colour and texture may occur. Design Byon Studio.

## emma widell

Emma Widell is the artist and ceramist from Malmö who embodies what we at BYON call an “outlaw.” Her creations brim with a strong personality and an inspiring playfulness. In our latest capsule collection, her expressive design language merges with BYON’s passion for colour and form. Do not be misled by what seems obvious—behind every corner lies a hidden treasure.

Emma started painting at a young age and has spent many years devoted to art. During the pandemic, she felt a lack of inspiration and turned to clay to explore her creativity. Three years on, she has fallen in love with the medium, drawing on personal experiences, thoughts, and memories for inspiration. Her art is an extension of herself, where imperfections like scratches, flaws, and small cracks are embraced as intentional elements in each unique piece.

In this collection, we encounter sculptures and shapes once concealed behind facades, now taking centre stage in BYON’s universe. They create an instant sense of personal magic at first glance. Meet Facy, Patty, and Muddy in BYON’s latest capsule collection — pieces with bold expressions and distinct personalities guaranteed to enchant both you and your home.

Handcrafted in Portugal's ceramic capital, Porto features a classic design with a chunky edge that feels both bold and natural. Each piece offers a unique experience, with reactive glazing creating subtle variations that bring every item to life. The collection includes dinner and starter plates, bowls in various sizes, and small side plates in vibrant colours. Also napkin rings, egg cups, serving platters and cake stands. Porto expands its playful elegance across even more moments at the table. The colour palette is rich and expressive, moving from sun-kissed shades like citrus, pistachio, blueberry, raspberry and dulce de leche to deeper tones like matte forest green and matte brown. ## The Oyster Family

Under the sea surface you'll find a world of unknown shapes and beautiful materials. We eat from shells, welcome rugged surfaces and change glitter to salt spray. The sea moves indoors when we decorate and set tables, simply because we cannot resist the playfulness. Bowl Oyster is a result of when the depth of the sea makes an impression to our creations. With its playful blue, beige or grey suit with a glossy finish, this bowl becomes something very special. It's also available in white with a matt finish. Mix colours, use it for jewelry, tapas or flake salt. Design Byon Studio.

## Armona

Armona brings a touch of the ocean's magic to your table – a tribute to nature's forms in the shape of exclusive, handcrafted, and hand-painted stoneware. With its delicate hues and organic lines, each piece is the perfect fit for Byon's world of ocean-inspired creations. Created in collaboration with Matias Belo, each shell-shaped dish is a one-of-a-kind piece of art. In this small, exclusive factory, everything is crafted by hand – from the first mould to the final brushstroke – ensuring that each piece is unique, made especially for you. The large dish is perfect for elegant serving, while the smaller dish adds a special touch to any table setting. Since each piece is handmade, variations in size, shape, and colour make every dish a true work of art. Made in Portugal. Available in several colours and sizes. Designed by Matias Belo in collaboration with Byon Studio.

## Shelley

In Shelley Collection the shape of the shells has met the imagination and become something we hardly thought existed. The porcelain is glazed for the natural to meet the luxurious. Cup Shelley is a chunky shell cup in a unique shape which can be combined with a wavy plate straight from the sea. The collection also holds a magnificent jug for the favourite drink. The areas of use are infinite – let the cup become a bowl and the carafe a vase. As always at Byon there are no rules about how things should be used. What's important is what you want! ## Swirl

Uneven, round, twisted, organic, oversized and with crooked messy stripes. Swirl is the result when ceramics becomes handicraft in a modern way. The matt black-glazed surface meets the uncoloured raw one, and the contrast feels genuine. Swirl is chunky without being heavy. The perfect breakfast set if you ask us. Design Byon Studio.

## Spice

Spice helps you give the table setting, the mingle or the hanging-out time extra character. A fantastic glass with a sharp look and playful Ludo vibes. Clear glass with a foot in six different colours. Delivered in Byon box.

## Indy

Indy is the "icing on the cake" which we all have missed in the collection of coloured dessert and drinking glasses. This is a family of glasses which is the result of meetings between new shapes. With a cone-shaped foot and a soft round body Indy becomes both irresistible and elegant. Mix this collection with glasses you already have at home or combine them with Byon's series Spice and Victoria. They also look great on their own, of course. Delivered in Byon box. Design Byon Studio.

## Messy

The series Messy is both playful and fun to use for serving. It invites you to make creative beverages and to be a bit mischievous. The vase, wine cooler or punch bowl Messy is just as great as its family members and delivers several areas of use, only your imagination sets limits. The thick glass is handmade and mouth blown. All glasses are unique in their own way – just like you. Colour and texture differences may occur. Design Byon Studio.

## Bubbles

The glass series Bubbles is the detail which creates the entirety in a table setting, during the party, the breakfast. With these beautiful glasses no imagination is needed. They speak for themselves regardless if you are serving juice, wine, water or champagne. Or dessert for that matter. The glasses make us bubble – with joy, talk, happiness... Dishwasher safe. Due to mouth-blown glass, the bubbles may vary in size and amount.

## Laranne

Laranne is a series that lives in contrasts. Ribbed yet soft, sleek yet surprising. Made of mouth-blown glass with a texture that captures both light and attention, Laranne becomes a subtle mood-enhancer in any home. The gentle colour tones create harmony, while the rounded shapes bring a sculptural presence to the design. The series includes candle holders that can also be used for serving or drinks – playful functionality in true Byon spirit – along with the new bowls, whose rounded bases make them just as much art pieces as functional objects. Laranne invites you to mix and match, whether for table settings, decoration or atmospheric lighting. Available in several delightful variations. Delivered in a Byon box. Design Byon Studio.

## Vase & Candle holder Arlo

The Arlo vase is bold and extra in every way, just like Byon loves to be. With its round, substantial body adorned with glass balls, it makes a statement wherever it stands. A vase that is both iconic and playful at the same time. Arlo candle holder is a playful variation of our beloved Calore. Like its cousins, Arlo is multifunctional – use it as a vase, candle holder, or bowl. It fits everywhere and works beautifully in combination with both Lori and Lara candlesticks, where the colours complement each other. The beige colour mixed with citrus yellow creates an unbeatable combination. Handmade, variations in colour and texture may occur. Delivered in a Byon box. Design Byon Studio.

# Textiles

Textiles animate everything we love in a room. No matter where you're putting them, no matter what shapes they come in, they always manage to show off in the end. Not necessarily as big and beautiful, though that happens quite often as well, but as the extra touch, the detail that makes a difference over and over again.

Flowers have always been important to Byon. This because they make us exceptionally happy. Leya is a sassy flower pattern designed for Byon only, which has succeeded with the combination to be delightful and at the same time gutsy. The pattern is inspired by the 1970s look but can definitely be mixed with more contemporary colours. All the flowers play an important role without stealing the show from each other. The tones stretch from dusty pink, via magenta and claret to pop blue and ochre yellow. Leya decorate among other things, tablecloths, and napkins, sometimes just as a detail and sometimes the whole product. Design Byon Studio.
